

## **TDA Reciprocal Agreements**

**Alabama** – We reciprocate Private Applicators and only for categories 1, 2, 3, 5, 6, 8, 10, 11. To date we have never received a signed agreement from AL. Last correspondence was 5/13/80 requesting categories from AL.

**Arkansas** – We reciprocate in regard to certification for the following categories only. We no longer reciprocate with any licenses. We reciprocate with Private Applicators. Agreement signed 2/79.

Agricultural (plant & animal)	Right-of-Way Pest Control
Forest Pest Control	Public Health Pest Control
Seed Treatment	Demonstration, Research,
Aquatic Pest Control	and Regulatory Pest Control

**Georgia** – We reciprocate Private Applicators and only for categories 1, 2, 3, 4, 5, 6, 8, and 10. Agreement signed 2010.

**Kentucky** – We reciprocate with Private Applicators and Certification Categories (1-14) **EXCEPT** for category 7. We no longer reciprocate with any licenses. Agreement signed April/07.

**Louisiana** – We reciprocate with Certification categories 1, 3, 4, 6, and 11 only as of 1/28/2011.

**Mississippi** – We reciprocate with MS on all certification categories (1-13). MS does not have a Pesticide Dealer category. MS does **not** except TN Private Applicators because they do testing. Agreement signed 6/92.

**Missouri** - Signed the reciprocal agreement for aerial applicators only, which will include Ag Plant, Forest Pest Control, Aquatic, and Right of Way.

**North Carolina** – We reciprocate certification with NC in the following parts of category 7 only (WDO, GRC, Fumigation and Bird Control). We will reciprocate with Private Applicators for **now**; they are in the process of starting to test their Private Applicators. This does not apply to subcategories other than those cited. Agreement signed 5/92.

**South Carolina** – We reciprocate with SC in all certification categories **EXCEPT** Pesticide Dealer, C0 14 –16. We reciprocate with Private Applicators. Agreement signed 5/93.

**DOD** – Any person holding a valid DOD certificate permitting the purchase and use of restricted use pesticides and state limited use pesticides shall be considered as certified in TN. Agreement signed 8/86. No categories listed.

**(Revised April 21, 2010)**
